

In order to apply to the Outfitter Pool of the NM draw, the State of New Mexico requires hunters to have a contract on file with a NM licensed outfitter. This contract outlines the specific hunt choices we will apply you for as well as the cost for services of these hunts. By entering the Outfitter pool, you are agreeing that should you draw a tag, your hunt will be a guided hunt with a NM licensed outfitter.

Please fill out completely and return to us by mid-March at the latest. If you know your NM Game and Fish Customer ID number then fill it in. If you don't have one or don't remember it, don't worry, we will build your account with Game and Fish and obtain one for you or find your existing one.

When we build your account with NM Game and Fish, we use your own contact information so you receive all receipts and correspondence directly from NM Game and Fish.

Application choices: if you know these then fill it in, if not, leave blank and we will call to discuss the hunt choices that will best meet your expectations.

Compass West Outfitters, LLC charges nothing for our application service, but the NM Game and Fish department will charge your card for your license at the time of application and send a receipt to your email address. If your application is unsuccessful, Game and Fish will refund your credit card minus a \$13 application fee per species and game license/stamps (approx. \$70). Compass West Outfitters, LLC charges no deposits for drawn hunts UNTIL you have successfully drawn a tag.

Please return your application to us as soon as possible, or by mid-march at the latest. The state deadline for applications is the third week in March. NM Draw results will generally post in the third week of April.

Please call us at 505-801-7500 with any questions and to discuss the incredible hunting opportunities that await you in New Mexico!
