

In order to apply to the Outfitter Pool of the NM draw, the State of New Mexico requires hunters to have a contract on file with a NM licensed outfitter. This contract outlines the specific hunt choices we will apply you for as well as the cost for services of these hunts. By entering the Outfitter pool, you are agreeing that should your draw a tag, your hunt will be a guided hunt with a NM licensed outfitter.

Please fill out and return to us by March 9<sup>th</sup> at the latest if you want us to complete your application for you. **You can scan/email your application to us, or take a picture and text it to Chris' cell phone at (505)860-3197.** We will email or text back that we have received it.

If you know your NM Game and Fish Customer ID number then fill it in. If you don't have one or don't remember it, don't worry, we will build your account with Game and Fish and obtain one for you or find your existing one.

When we build your account with NM Game and Fish, we use your own contact information so you receive all receipts and correspondence directly from NM Game and Fish.

Application choices: if you know these then fill it in, if not, leave blank. We will call to discuss the hunt choices that will best meet your expectations.

Compass West Outfitters, LLC charges nothing for our application service, but the NM Game and Fish department will charge your card for your license at the time of application and send a receipt to your email address.
