White Mountain Taxidermy is the meeting place in Ruidoso, NM. The address is: 26376 HWY 70 Ruidoso Downs NM, 88346. Please note that Ruidoso recently change their addressing system, and as a result not all car's GPS units will get you exactly to the front door, but White Mountain Taxidermy assures us that it should get you close!)

It's on the right side of 70 after the horse track and Casino. 575.973.7458 is the shop number if you have a hard time finding them.

My wife Karin is in the office (505-801-7500) when I am in camp. This is usually the best number to try during hunting season as I often don't have cell service. 505.860-3197 is my cell. Leave a message, I check often on arrival day, but again, I don't always have cell service. The office number is a better bet.
