

To apply to the Outfitter Pool of the NM draw, the State of New Mexico requires hunters to have a contract on file with a NM licensed outfitter. This contract outlines the specific hunt choices you wish to apply for. Our website has the current pricing for all hunts. By entering the Outfitter pool, you are agreeing that should you draw a tag, your hunt will be a guided hunt with Compass West Outfitters or with an NM licensed outfitter.

Please fill out and return **by March 11th if you want us to complete your application.** If you are completing your own draw application, we can accept your application up until the draw deadline (March 18, 2026). **You can scan/email your application to us, or take a picture and text it to Chris' cell phone at (505)860-3197.** We will email or text back that we have received it.

If you know your NM Game and Fish Customer ID number, then fill it in. If you don't have one **or don't remember it, don't worry,** we will build your account with Game and Fish and obtain one for you or find your existing one.

Application choices: Please circle the animals you are interested in. We will call to discuss the hunt choices that will best meet your expectations and write what weapon(s) you would like to include in your hunt choices.

Compass West Outfitters, LLC charges nothing for our application service, but the NM Game and Fish department will charge your card for your license at the time of application and send a receipt to your email address.

If your application is unsuccessful, Game and Fish will refund your credit card minus game license/stamps (approx. \$94) and a \$13 application fee per species. Compass West Outfitters, LLC charges no deposits for drawn hunts UNTIL you have successfully drawn a tag.

The state deadline for applications is March 18, 2026. NM Draw results will post April 22, 2026.

Please call us at 505-860-3197 or 505-801-7500 with any questions and to discuss the incredible hunting opportunities that await you in New Mexico!
